Profile

Driven by a passion for web development, my goal is to create websites and applications that are visually appealing, functionally sound, and delightful to use. I have a background in programming languages such as Python, Ruby on rails JavaScripts, and HTML/CSS, and I am eager to use these skills to develop new and innovative projects. With a strong attention to detail, I am confident that my knowledge, creativity, and enthusiasm will make me an invaluable asset to any team working on a project. I am excited to explore the options for furthering my career in web development.

Professional Experience

Freelancer

11/2022 – present | Valencia, Spain

As a freelance web developer, I am passionate about creating custom web applications and websites for my clients. I have experience with a wide range of coding languages, including HTML, CSS, JavaScript, and Python. I am equally comfortable with front-end and improving my back-end development. Additionally, my familiarity with web development frameworks such as ReactJS.

SkyBox-Iberia (Amazon Partner), Amazon Driver

10/2022 – present | Valencia, Spain

I am a self-starter with strong problem-solving skills and the ability to work independently and collaboratively with my coworkers. My interpersonal skills allow me to effectively interact with customers and coworkers in a professional manner.

Descgon S.L, Warehouse Labourer

06/2021 – 09/2022 | Valencia, Spain

Experienced as a warehouse labourer. I bring to the table the ability to quickly and efficiently organize and manage the warehouse and all its contents. With a keen eye for detail, I am always able to find the quickest and most efficient routes throughout the warehouse. Furthermore, I am comfortable lifting and carrying heavy objects, and I can operate machinery when needed.

Aceros y Servicios S.A, Metal Cleaner

03/2021 – 05/2021 | Valencia, Spain

Experienced in the metal cleaning industry. I am knowledgeable in the use of specialized equipment in cleaning processes, and know exactly how to handle each situation safely and effectively. I have strong customer service skills, and I am comfortable interacting with clients and coworkers in fast-paced environments. I am confident that my skills and experience will make me an asset to your team.
